

Solar Eclipse Itinerary:

We will pick up people at the Antay Hotel, Atacama Suite Hotel, Chagal Hotel and Ibis Hotel of Copiapó.

We will travel across the “*Ruta 5 Norte*” to the south of the Atacama region. We will expect to leave at about 5:30 am. In normal condition the time to get to the site of observation is estimated to be to 2,5 hours, but due to the possible critical traffic condition this time is expected to increase.

During the travel we will stop several time to rest and to eat a little snack breakfast.

The planed site to observe the eclipse is located in the desert at a few kilometers from the small village of Incahuasi. In this place the regional government will prepare a large area of observation for about 5.000 persons. This area will be equipped with bathroom, common spaces, food trucks, security and typical Chilean products market.

There will be a reserved space exclusively for the symposium.

Include:

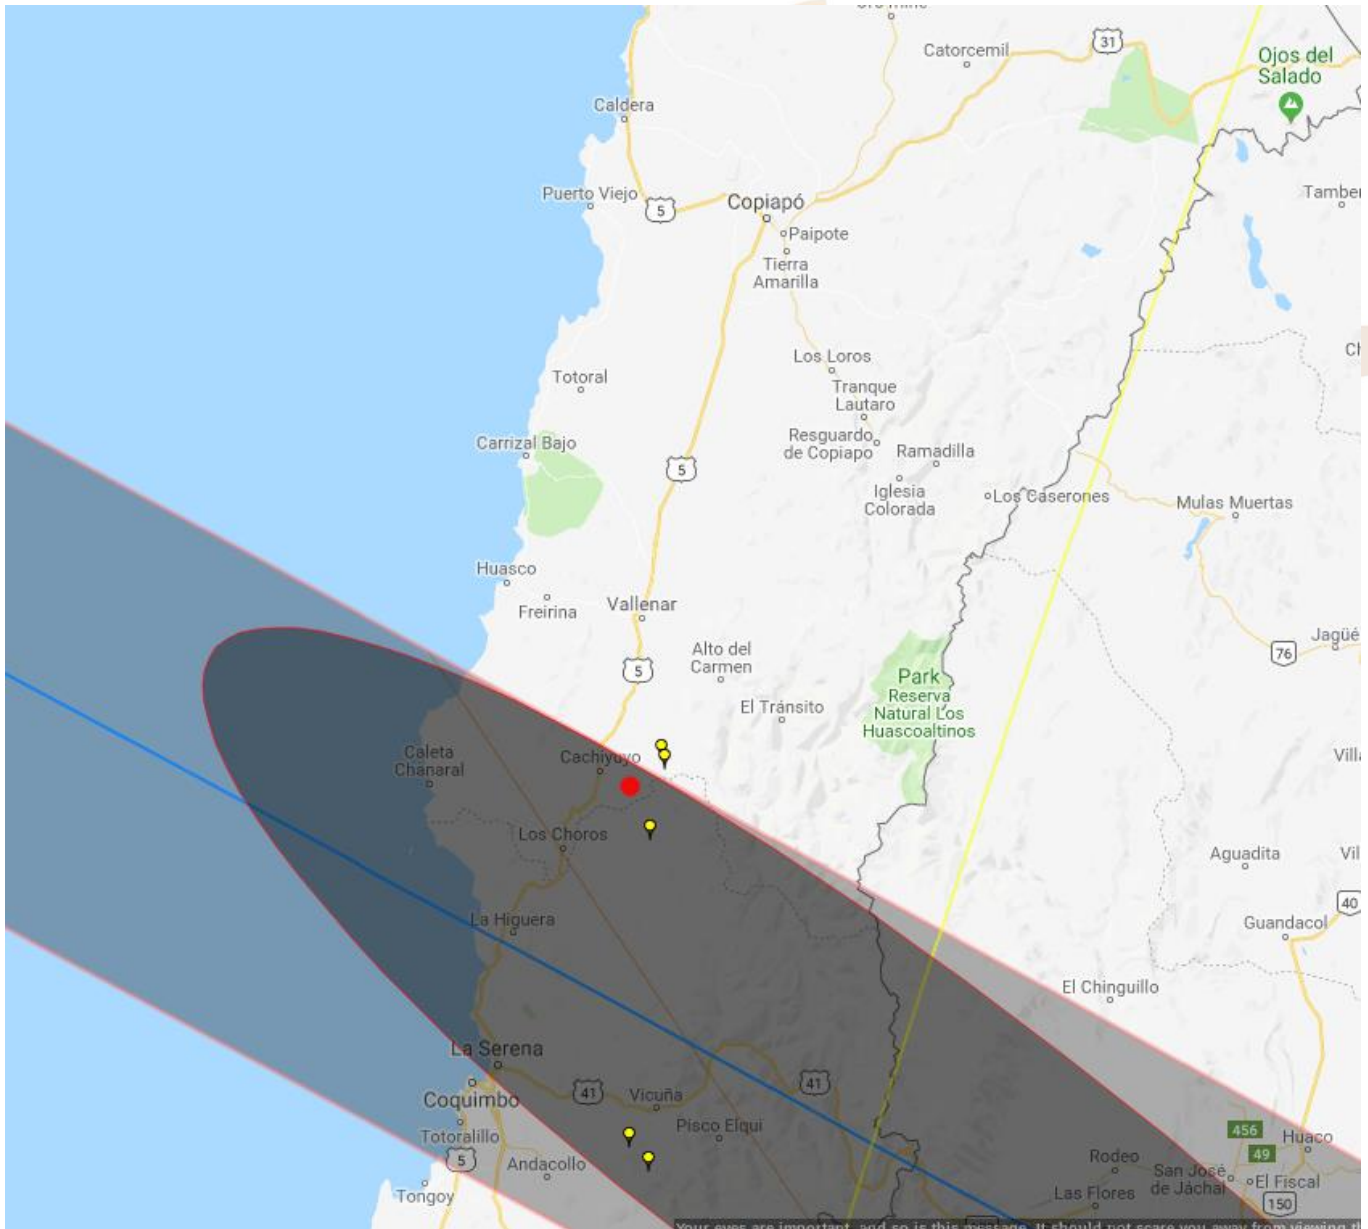

- Private and exclusive buses to go to the site and to come back.
- 1 guide per bus that will give basic information on the site
- Travel Insurance for the day
- Comfortable environment for waiting the eclipse time.

-Food:

Snack Pack Breakfast

Box lunch

- 2 bottles of water per person.

Estimated location of the site for the eclipse observation.
