

## ***MOVING IN COPIAPÓ***

### *Symposium morning buses*

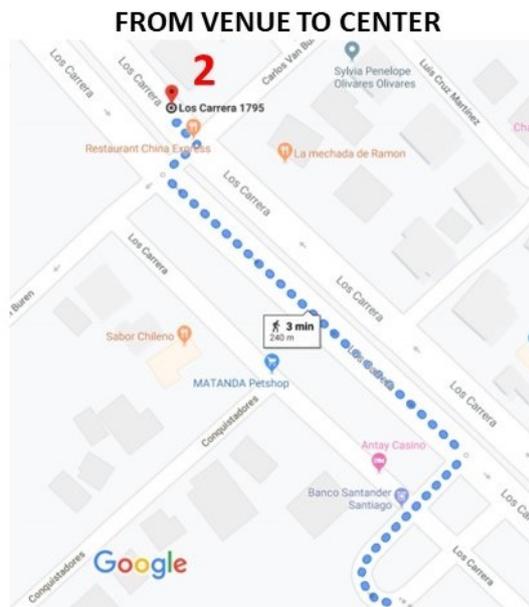

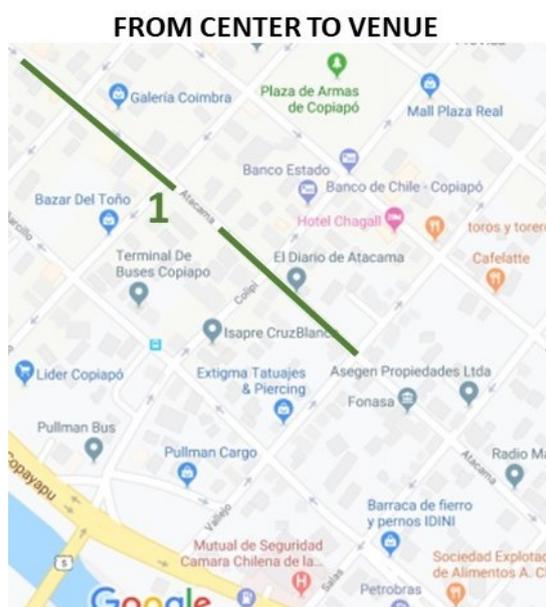

The total walking distance from the city center (plaza de armas) to the venue (Casino Antay) is about 2.4 km. The conference will provide 3 morning shuttle busses from the **hotel IBIS** to the Venue. Each bus has room for 30 persons, and will leave at approximately 7.50 am, 8.15 am, and 8.35 am. Please consider that the Symposium will not be responsible if more than 30 people want to ride the shuttle. The policy will be “first come, first in”.

### *Shared taxi (colectivos)*

Shared taxi cabs with a fix itinerary (“colectivos”) are the most common public transport in Copiapó. From the city center to “Casino Antay” take a shared taxi (numbers 1, 11, 7, or 77) in Atacama Street (1). The driver will stop upon request at the Venue. The cost is about \$600/\$700 Chilean Pesos (CLP). Please try to pay using coins or \$1000 CLP bills. Depending on traffic, the travel time will be about 10 minutes.

To go back from the venue to the city center, you can take the same “colectivo” in the opposite side of the street in front of the venue, near the traffic light (2). The cost will be the same. It is possible to pay only in cash CLP.

## Public buses

From the city center to the “Casino Antay” take buses (1, 6, 9, or 12) in Atacama Street (2). Bus tickets are \$400 CLP. Payment with the exact change is recommended. Depending on traffic the travel time will be about 10 minutes.

To go back from the venue to the city center, you can take the same buses in the opposite side of the street in front the venue, near the traffic light (2). ## Traditional taxi

Taxi cabs congregate at a parking lot near Plaza de Armas, or close to the bus station. The single trip in Copiapó costs \$3000 CLP. You can call radio taxi at this number +56 9 94294738, or ask your hotel to call it on your behalf.

Please consider that stopping taxis in the street may not be easy because they usually leave their parking lot with a passenger.

## Uber taxi

Uber is commonly used as taxi service in Copiapó. You can download the application in any play store. The system will automatically localize your position and your destination in the city, and will guide the driver to your position and to the final destination. In Chile Uber payment methods are credit card and also cash.
